About This Class

We may have heard the great commission (Matthew 28:18-20), but sometimes next steps of obedience can be hard to discern. How are we called to obey the missionary task through praying, giving, and going? How does one know if he/she is called to go, and to where?

The goal of this class is to provide a Scriptural, theological, and practical foundation for working through these and similar questions related to missions.

Whether you're just wanting to learn more about missions or are interested in next steps for serving short or long term, this class is for you!
